

Managing Growth® - Spring 2018

OSHA Safety Program

_____ **OSHA 10-hour** program is intended to provide a variety of construction safety and health training to construction workers, foremen, job supervisors, and anyone involved in the construction industry. OSHA recommends outreach training program courses as an orientation to occupational safety and health for workers covered by OSHA 29 CFR 1926. Workers must receive additional training, when required by OSHA standards, on the specific hazards of the job. Training will emphasize: Hazard, Identification, Avoidance, Control and Prevention, Monitoring Project.

_____ **4-Hour Supported Scaffolding** course is intended to comply with the training requirements of the NYC Department of Buildings Local Law 52. This law requires that every worker who will work from, on or use a supported scaffold shall complete this course. Upon successful completion of the course, participants will receive a scaffold user certificate from an OSHA certified provider. This seminar sponsored by **The Port Authority of NY & NJ** is designed to increase the ability of M/W/S/DBE firms to effectively bid and perform on Port Authority and other government projects.
