Featured Presentation by

Wayne A. Benjamin, AIA
Assistant Director | Opportunity Programs Group

Dormitory Authority of the State of New York

DASNY is among the nation's largest issuers of low-cost, tax-exempt bonds and one of its biggest public builders. As New York State's developer for creating health, education and scientific facilities, the agency provides capacity building programs that enable M/WBE firms to grow and compete successfully.

The Contractors' Clearinghouse also offers a chance to meet and speak one-on-one with representatives from numerous public agencies and private sector firms located in the NY/NJ region in one location.

- ◆ Learn about upcoming construction projects for 2017
- ◆ Learn how to do business with participating agencies and major construction firms.
- ◆ Network with old friends and establish new contacts.

The updated Clearinghouse Resource Book will be distributed containing relevant contract information, supplied by participating sponsors and exhibitors including contact names, addresses and telephone numbers.
